**Complete Czech Beginner to Intermediate Course: Learn to read, write, speak and understand a new language with Teach Yourself eBook: Short, David: ne-x.uni.rf.gd.au: Kindle Store**

**Colloquial Czech: The Complete Course for Beginners by James Naughton**

If I were Russian, I'm sure this book would be easy: the languages are as similar as English and French are to each other. Colloquial Czech provides a step-by-step course in Czech as it is written and spoken today. Written by an experienced teacher, the course offers a step-by-step approach to written and spoken Czech.
