Sctc is a famous one : — SbeUey — Prometheus — unbound, etc. I might as well have addressed a graven image. An 1886 reprint was reviewed by Wilde in vol.

Oscar Wildes London Scrapbook Vices Virtues by Eckardt Wolf Sander Gilman Edward Chamberlin

Pages and cover are clean and intact. Possible clean ex-library copy, with their stickers and or stamp s. They had two sons: Cyril, born in 1885, and Vyvyan, born in 1886.

Book

There's a very nice introductory chapter about the context in which Wilde wrote his essays on dress; this emerged from Wilde's early career as a lecturer, and dress was one of his most successful and popular lecturing topics in 1883—4 pp. Many of the poems, most of which were written before Wilde achieved fame, express themes developed in his later work in prose and drama, pointing to a continuity now perceived by critics.
