### The Closet Professor: W.H. Auden

This hardly seems an unusual approach but in the world of reportable innovation it has become so. This has become my chosen way of life and perhaps the ground on which I wish to make my poetry.

### The Gang's All Here

Usually all sorts of pragmatic disciplines—economics, political science, statistical analysis—seem to hold the globe in hand; then, one day, the markets plummet, treaties crumble, pollsters wake to shock, and suddenly poetry looks old and solid enough to cling to.

The nations of Europe thought they had avoided a war, but the pact was broken six months later, in March of 1939, when German troops attacked and defeated the remaining Czech nation. Of the many issues and questions this new perspective on Auden at Larchfield raises, particularly interesting is Gardiner's linking of Auden's dramatic work with that of Luserke.

### W. H. Auden

Not even the music from a piano can be appreciated. From knowing and loving what has been done, it isn't such a long step to trying something of the same nature oneself.

### W. H. Auden: Tell Me the Truth About Love

The Kibbo Kift was organized in Clans and Tribes and combined a dedication to woodcraft, camping, bodily conditioning and sexual essentialism with a taste for outlandish costumes, Native-American-style names, the Social Credit theories of Major Douglas, pacifism and a full-blooded internationalism.

### Notes from Auden Land by Austin Allen

The first parts of the poem speak about the failures playing out on the world stage, and the second alludes to something more hopeful in the future. The reader discovers that the Unknown Citizen was a law-abiding veteran and union member who served his community through his very facelessness and his participation in a consumer society.

### **W.H. Auden**

He is simply representative of all the citizenry who conform to set standards and practices, standards which are dictated by the mass organizations and institutions that shape society. Born into an upper middle-class professional family in York in 1907 and educated at Christ Church College, Oxford, from which he received his B.
