Welcome

It is painted on a gessoed wood panel from reclaimed pine boards that are about 100 years old. For Simpson, Maria is armor for the body that rides within and a vessel shepherding our human bodies, the spiritual world, and that which is carried into the terrestrial world. So, too, thou hast not rejected but dost accept the Icons and likenesses of the Saints who worthily served thee.

RETABLO SANTO

The influence of the master weavers was soon felt and contributed significantly to a lasting textile industry in New Mexico. The figure's clothing and pose, as well as its attributes--the symbols associated with a

Religious festivities are a staple of family life.

RETABLO SANTO

Icons of Christ are a graphic expression of our creed that the invisible God took on our flesh in order that we might see and know him personally. Two basic types of images emerged from the village workshops in the late 18th century: retablos and bultos. His images are bold and easily recognizable.

Tradicion Revista

To better understand current Mexican family culture it is important to take a look at its past. In this exhibition, x-ray images and analytical data demonstrate how scientific tools and techniques can extend our senses. Tucson: University of Arizona Press, 1974.

Crafting Devotions : Tradition in Contemporary New Mexico Santos by Laurie B. Kalb (1995, Trade Paperback) for sale online

Today, he honors tradition by making sure that any religious habits he depicts are accurate, and limiting himself to the time-honored symbols associated with particular saints. His unpainted carvings were sensual, evocative and abstract. Mexico City: Universidad Iberoamericana, 2003.

THE COLLECTOR'S GUIDE: TRADITIONAL NEW MEXICAN HISPANIC CRAFTS

Even as you faced your own mortality, you held firm to your faith. The exhibition opens on Sunday, Nov.

Carving the Saints : New Mexico *santeros* are a varied group of artisans who create colorful religious images .

Analyzing their woods and paints can uncover startling transformations of style and symbolism. However, to evaluate the work of the santero in this way is to misunderstand the fundamental nature of his art, which is meant to be and believed to be , a participation in the divine reality which cannot be adequately portrayed in the terms of artistic realism.
