Writing by Design

Have your students surfing the best on-line resources for famous and not-so-famous inventors and inventions.

Writing by Design

Give educators a fast and accurate way to enter results online and receive a variety of reports that facilitate instructional decision making.

Units of Study Reading, Writing & Classroom Libraries by Lucy Calkins

A companion tool for use with Acadience Reading K—6 to determine instructional level and progress monitoring. Districts can choose from a menu of training and support options including in-person, online, or a combination of both. Created for all students, the strategies in Step Up to Writing are designed to be used to support writing instruction in all content areas.

Writing by Design

This site has interactive demos, questions, images, and other science information for kids. Assess critical reading skills for students in grades K—6 and older students with very low skills.

Literature based K

A tour of some of the best on-line sources for creative lesson plans and other classroom activities. Our hope is that this path brings children along to the place where they can write clearly and skillfully and read flexibly and joyfully—and can live together as caring, thoughtful readers and writers.

Curriculum K

With a foundation in the Six Traits of Writing, new and veteran teachers can successfully teach state standards and Common Core writing. Enhance early reading success and identify students experiencing difficulty acquiring foundational literacy skills.
