Again : the hieroglyphics of Mexico evidently sprung from painting ; they still closely resemble them ; those of Egypt from sculpture. General view of the country and its inhabitants. The statements of Diodorus, whether the result of his own inspection, or copied from earlier accomits, can in no other way be understood.

The temple, therefore 72 EGYPTIANS. The cause of this phenomenon was an object of much research even in ancient times. The reasons of Andreossi, who was in a situation, from his knowledge of physics and hydrostatics, to go fully into the subject, places it beyond dispute, that the

Delta was formed by the sediment of the river, with some assistance from art.

No doubt whatever can be opposed to the question, whether the Egyptians wished to give the proper colour of the skin in their paintings — as far as their colours would allow. The action of one of these warriors is very expressive ; he himself breaks his arrow across his knees. In its marvellous and stupendous monuments, whether erected on the earth, or excavated from its bowels, it has left behind not merely proofs of its greatness, but has endeavoured, by covering them with sculptured representations of its religion, its public affairs, and even of private life with its numerous occupations, to hand down the remembrance of them to the latest generations.
