Seguridad, democracia y reforma del sistema policial en la Argentina

Published quarterly with articles in three languages English, Spanish, and Portuguese, TLA serves as an important international resource for all individuals concerned with Latin American Studies.

Another Debt Crisis Is Looming for Argentina

With contributions from noted Argentine and U.

Broken promises? : the Argentine crisis and Argentine democracy

What brought on this state of affairs? The next set of debts is due on May 22; failing to pay them could result in default. While President Fernandez remains upbeat about it in the national and foreign press, Guzmán and the international negotiators are explicit about the real possibility of default.

[PDF] Revisiting the Argentine Crisis a Decade on: Changes and Continuities

A Nation Indebted This is precisely what happened in Argentina in the early 2000s.

Argentine Foreign Policy Under the Kirchners: Ideological, Pragmatic, or Simply Peronist?

There are two options: military force and economic pressure. Finance Minister Martín Guzmán had begun negotiations to delay several different but overlapping sets of debt.

Argentina Since the 2001 Crisis

Review: This book represents the first comprehensive account of Argentina's grave 2001 crisis. Later, as the center of world finance shifted first to

the Netherlands and later to England, national debt laid the foundation for the corporation — and the modern world of finance — as we understand it today. As the world slides into the economic downturn that is currently unfolding propelled by the COVID-19 pandemic, this could prove catastrophic to the country and its recently elected center-left Peronist government, headed by President Alberto Fernandez.
