Food & Culture and Claude Levi

Good: A book that has been read but is in good condition. I auspiciously came across a paper last night by Edmund Leach all about Claude Levi-Strauss. John Russell, London: Hutchinson, 1961; New York: Criterion, 1961, ,.

Lévi

This is it, the Claude Levi-Strauss, By Edmund Leach that will certainly be your finest selection for much better reading book. It's no have to await the book Claude Levi-Strauss, By Edmund Leach to obtain some days later after buying. A particular gift has significance because of its comparability and contrast with other transactions, not only those between the same actors, but also those which are taking place round about between other members of the same communication system

Book Reviews, Sites, Romance, Fantasy, Fiction

From the Back Cover: In this lucid guide to the often abstruse works of Claude Levi-Strauss, Edmund Leach synthesizes the thought of one of the twentieth century's greatest anthropologists and provides a thoughtful introduction to the theory and practice of structuralism. Our survival as human beings also depends upon the social constructs and networks within which we abide, thus the importance of culture.

Lévi

A very nice clean tight solid softcover copy.
