### Radio in the United States

While the mobile device market is only beginning to become a viable advertising medium, it may soon offer significant opportunity for marketers to reach customers at any time and anywhere.

### News

But unlike television, radio presents the additional disadvantage of limiting advertisers to audio-only advertising. When did you move here? An additional complicating factor was the concern by the FCC that the assigned frequencies were prone to occasional interference caused by atmospheric conditions, especially during periods of high solar activity. Eugene Weinraub, Managing Director at HKS Capital Advisors, originally joined the firm in 2013, and has since become an integral part of the organization, overseeing the
