Nicaraguan Revolution

To be sure the US-backed Contra war and embargo undermined the economy and put limits on what the new leaders could do. But instead of removing the major capitalists and beginning to plan the economy the Sandinistas try to appease them, a policy which has been at least partly pushed onto them by the Russian Cuban leaderships who are reluctant to provoke a confrontation with US imperialism by aiding the establishment of the first proletarian bonapartist regime on the American mainland.

Sandinista

Caudillos can be of the right or left, or in some cases both, as with Peron in Argentina, who moved from left to right.

Once again civil war raged with widespread attacks undertaken against US investments.

The Nicaraguan revolution

Countless former leaders of authentic Sandinismo have clearly denounced Ortega. The FSLN also began a widespread literacy campaign; prior to 1979 around half the population was illiterate, but that number.

Marxism and the Nicaraguan revolution By Bob Labi Militant International Review , Issue 27, Autumn 1984 ARISING OUT of the Autumn 1983 issue of the Militant International Review, which was dedicated exclusively to the revolutionary process in Latin America, we are pleased to see that there has been quite a lot of discussion among our readers.

Nicaraguan Revolution: Causes and Consequences

La Botz effectively traces Nicaraguan history from colonial times up to the revolution, especially emphasizing the constant presence and pressure of

US imperialism; for instance recalling the attempt by proslavery adventurer William Walker to bring Nicaragua into the Union as a slave state before the Civil War.

The Nicaraguan revolution betrayed

Such a claim goes right to the heart of the analysis and perspective they adopted for the revolution from the very outset.
