The plot can also be enhanced by an intelligent use of peripeteia, or reversal, and anagnorisis, or recognition.

Poetics: Plot Overview

There is another art which imitates by means of language alone, and that either in prose or verse- which verse, again, may either combine different meters or consist of but one kind- but this has hitherto been without a name.

Poetics Themes

Find related themes, quotes, symbols, characters, and more. In composing the Odyssey he did not include all the adventures of Odysseus- such as his wound on Parnassus, or his feigned madness at the mustering of the host- incidents between which there was no necessary or probable connection: but he made the Odyssey, and likewise the Iliad, to center round an action that in our sense of the word is one.
