## Do You Know the Top 7 Qualities of the Best Clinical Instructors?

Here are a few prerequisites. He was also the Serjeant Surgeon to the Queen from 1991—2001. They are undeniably successful — but excellent? Studying with a private instructor can help you stay focused, which aids in your attention to detail, and in turn keeps you motivated, which helps your work ethic.

## What makes a great teacher?

These include having high but realistic expectations, the importance of setting boundaries, following through with clearly communicated consequences when those boundaries are crossed, and the power of positive role modeling by your lived example. Seven principles of effective teaching: A practical lens for evaluating online courses, The Technology Source Mar. Because the best coaches do not think highly of themselves.

## Do You Know the Top 7 Qualities of the Best Clinical Instructors?

The ability to coolly assess a difficult situation, think how best to correct it, and then proceed. I used to celebrate them as a swimmer because a meeting meant more time on deck, less time cranking up my heart rate.

## What Does The Excellent Online Instructor Look Like?

That I honestly do not know—it is always for others to judge, not the surgeon themselves.
