## Where Stuff Comes From: How Toasters, Toilets, Cars, Computers, and Many Other Things Come to be as they Are

With this in hand, he brings new perspectives to old debates about consumerism and creativity.

### Twelve things about Squirrels that will blow your mind

The book is a meditation into the meaning of the stuff in our lives and what that stuff says about us. The translation could be, at best, a means and a stimulus for the reader to approach the original. Nissa Campbell of believes that FreePlay is very similar in spirit to the original The Sims of 2000 and seems to be listening to the claims left back in those days - to add MMORPG elements to its gameplay.

## Digital History Hacks (2005)

Noticed a different behavior today. Once the wait is over, the player can customize the baby's appearance and name.

### 19 Gross Things All Women Do in Private (Or At Least When We Think No One's Watching)

If you're looking for a solid explanation that includes both design and the lash-ups or infrastructure needed to support innovation this is an excellent overview.
