## 25 years of post

Bankruptcy Laws in the Central Asian States 8.

## Independence of Croatia

For most of the time, the Slovene and Serbian delegations were arguing over the future of the League of Communists and Yugoslavia. In Botswana, which achieved its independence in 1966, —the grandson of the Ngwato chief Khama III—emerged as the first president.

## Healthcare in transition in the Republic of Armenia: the evolution of emergency medical systems and directions forward

In response, the government abandoned many aspects of orthodox : African trade unions were recognized, the pass laws were abolished, and attempts were made to co-opt the African middle and skilled working class through the granting of limited urban and welfare rights and to the status of Indians and Coloureds through constitutional change.

## 25th Anniversary of the End of the Soviet Union

Of course, implementing reforms can make a government unpopular. It is staffed by a non-emergency-trained physician who can engage needed specialists and intensivists.
