### English poetry

An interesting example is Gerefá which outlines the duties of a reeve on a large manor estate. Free Form Free form or free verse is exactly that — free from grammar rules or conventions of writing. Whole rhyming lines might be repeated throughout the poem in order to bring emphasis to the message the writer is delivering.

### Versification in Poetry

In a dramatic monologue a speaker, who is explicitly someone other than the author, makes a speech to a silent auditor in a specific situation and at a critical moment. MacDiarmid wrote a number of long poems, including *On a Raised Beach*, *Three Hymns to Lenin* and *In Memoriam James Joyce*, in which he incorporated materials from , , and even found poems based on texts from the *Times Literary Supplement*. The *Exeter Book* has a collection of ninety-five riddles.

### A Beginner's Guide to the Basic Elements of Poetry

This is definitely a type of poetry that students should see a few examples of so that they understand just how free it is! The fourth manuscript is called the *Nowell Codex*, also a mixture of poetry and prose. Familiarize yourself with these different styles and see if any spark your imagination. See , a form written in common measure.

### Poetry Forms

A common rhyme scheme is that of the first eight lines of the Spenserian —TO BE CONTINUED.
