Henry VI, Part 1

Also, as with most of Shakespeare's chronicle histories, 's 1577; 2nd edition 1587 was also consulted.

VII Shakespeare

For example, the opening lines of Act 1, Scene 2 have been argued to show clear evidence of Nashe's hand.

Henry VI, Part 1

Indeed, the French make similar claims about the English.

Henry VI: The Battle For The Throne

Richard and Somerset ask their fellow nobles to pledge allegiance to one of them, and as such the lords select either red or white to indicate the side they are on.

Henry VI, Part 1

The adaptation starred as Henry and as Margaret. This is in direct contrast to the chivalry that Talbot represents, a chivalry he remembers fondly from days gone by: TALBOT I vowed, base knight, when I did meet thee next, To tear the from thy craven's leg, Which I have done because unworthily Thou wast install'd in that high degree.
