Then he gets into figuring out how you relate to other people by using the Myers-Briggs assessment. While you certainly could read this quickly be I really enjoyed this book in the sense that the Spirit used it heavily to convict and teach, so I also kind of hated this book. This is spiritual formation through the lens of Myers-Briggs preferences.

It just rubbed me the wrong way. He reviews the classical spiritual disciplines and demonstrates the importance of undertaking our spiritual journey with and for the sake of others. The first half of the book is stellar.

Invitation to a Journey: A Road Map for Spiritual Formation (revised)

Ironically, I often though not always thought that the point he was trying to make was solid, but that he was using suspect interpretive means to make that point.

Invitation to a Journey : A Road Map for Spiritual Formation

My real beef with the book comes when Mulholland begins talking about Myers-Brigs. And one of the strengths of the Catholic tradition is a reliance on Christian tradition as a corrective.
