FYI, I don't easily give 5 stars to a book. I especially liked the way she used counterexamples to make her point.

Secrets Successful Speakers: How You Can Motivate, Captivate, and Persuade: Walters, Lilly: 9780070680340: Books

They re professional speakers who grab the interest and attention of an audience with their very first words. Right up front in the preface Lilly Walters says that this is a book that aims to help you become an excellent speaker - if you make regular presentations.
