Language politics

In our time, political speech and writing are largely the defence of the indefensible.

Language and Politics by Noam Chomsky

Intellectualism is not a corner on the market for conscious advancement. Now analyze these two sentences a little more closely. It is easy to look up on Google with a wealth of information sources, both pro and con.

Politics, Language and Power

Thus, the Mandarin Beijing dialect was chosen as the national language and remains so to this day.

Language and Politics

Bush 11 Newspeak in the News A friend is someone you know about, someone you can trust. Here is a well-known verse from Ecclesiastes: I returned and saw under the sun, that the race is not to the swift, nor the battle to the strong, neither yet bread to the wise, nor yet riches to men of understanding, nor yet favour to men of skill; but time and chance happeneth to them all. That is to say, you will do very little to defend your own stance by telling people to take it upon themselves.

George Orwell: The Connection Between Language and Politics

Can't tell the unwilling anything that counters their beliefs. Politics Language And Time J G A Pocock 9780226671390. Clichés come in many forms.

Language and Politics

Where mistakes have been made, the responsibility rests with me. This advances the interests of the manipulator, generally at the victim's expense, in methods that may be considered abusive, devious, deceptive, and exploitative. The book sticks primarily to the familiar question-answer format,

where Chomsky is either with the interviewer face to face, or is responding to questions in writing.

Language and politics : Chomsky, Noam : Free Download, Borrow, and Streaming : Internet Archive

Is this enough information to back my contentions, or do you think I am still talking through my hat? It follows that any struggle against the abuse of language is a sentimental archaism, like preferring candles to electric light or hansom cabs to aeroplanes. I suggest you read both sides in order to get a more comprehensive picture.
