Throughout May 1831, the coal miners and others who worked for took to the streets of Merthyr Tydfil, calling for reform, and protesting against the lowering of their wages and general unemployment. After the death of Anthony Bacon in 1786, the ownership of the works passed to Bacon's sons, and was divided between Richard Hill, their manager and. Merthyr Tydfil Housing Association, working in partnership with Canolfan Soar has been successful in raising funding to turn the Pontmorlais area into a cultural quarter.

Merthyr Tudfil in 1851

Printed limp cloth binding, as shown in our scan. This action cannot be undone. This will only be visible to you.

Merthyr Tudfil in 1851

Some of the most memorable and detested dwellings in the slum were the cellars, which were mere one- or two-roomed houses close together,

and often with an outrageous number of inhabitants. Following the success at Dowlais, Guest took a lease from the Earl of Plymouth which he used to build the Plymouth Ironworks.
