## My Book Affair: The Islandman ~ Tomas O Crohan

He'll relate funny stories and anecdotes about island life in great detail, then talk about the death of his children and his wife in very brief, matter of fact terms. But where will his flight to an island off the west coast of Ireland take him? It gives you an insight into his life, the politics of the day and the people involved in its publication.

## The Islandman

P 97 Seal hunting: You need calm weather and a good spring tide.

## The islandman : Tomás Ó Críomhthain : Free Download, Borrow, and Streaming : Internet Archive

Tomas O'Crohan has such an interesting writing style, probably based on the way he was raised and how they lived. But he was a highly unlikely author. I have amended the 'Lump of rock' description.

## My Book Affair: The Islandman ~ Tomas O Crohan

His book is a valuable description of a now vanished way of life; his sole purpose in writing it was in his own words, 'to set down the character of the people about me so that some record of us might live after us, for the like of us will never be again'. This amazing memoir limns the characters and life of a small island community off the coast of Ireland in the nineteenth century, though it is not about An Gorta Mor. .
