UK miners' strike (1984)

The failure of Beckett to exercise or enforce any right or provision of these Program Terms and Conditions shall not constitute a waiver of such right or provision. The setting for the 1986 film was inspired by the Welsh strikes. In January 2018, journalist Julie McDowall led a distributed viewing of the film, encouraging the audience to share their reactions on under the threadread, as part of a campaign to ask the BBC to show the movie for the first time since 2003.
