WAR AND TOLERANCE

Yet the monarchy's victory over Jansenism proved a pyrrhic one, as events after Fleury's death soon showed. In retelling the story, the narrator begins with a brief reference to Narcissus' great beauty, followed by three pages of complaint on the part of the Nymphs who blame themselves for their inability to express adequately the consuming passion he inspires in them.

Notes: Bibliography: 190-195.

This edition was published in 1978

The Prince received letters from her to the
Prince de Conde, in which she pointed out
the necessity for a coalition against the
Guises.

Humour and History

While it is true that LabeÂ urges her female
readers are they intended to be her sole
readers? She burned at the stake for refus-
ing to recant her religious views.
L'assassinat du duc de Guise.
