**Du'a al**

The Quran tells us repeatedly that it is easy to understand.

**Surat Al Mu'minun Arab, Latin & Terjemah Bahasa Indonesia**

Sungguh, Aku Maha Mengetahui apa yang kamu kerjakan. Such people will also be inspired to explore it deeply, and will find ample rewards for doing so.

**Description: al**

The nasheed is meant to have universal appeal: To impressionable ears, even those which don't understand Arabic, the nasheed appears to give a religious authenticity to even the most brutal videos. Therefore, 3:7 mentions a narrow category those who are deeply rooted in knowledge in relation to those multiple-meaning verses.

**Qāmūs al**

It opens with soaring Arabic chants unaccompanied by musical instruments, either hypnotizing the listener or lulling him to sleep.

**Al Muhkam wa Al Mutashabih**

Tidak ada tuhan yang berhak disembah bagimu selain Dia. And you probably have heard it—or at least snippets of it, before a news report cuts away or you can no longer stomach what you're watching.

**Description: al**

Kemudian, Kami menjadikannya makhluk yang berbentuk lain. This interpretation was reported from Mujahid and Qatadah.
