## Listening to God in a World full of Noise

It sounded like the music made by musicians playing their harps. Through Bible-based revelation combined with his dynamic, personal encounters with the angelic realm, Tim Sheets invites you to experience the unseen world of Heaven's mighty warriors. It's the same with God! As you actively engage the Bible, you will discover God revealing His purposes through sound—not just His voice alone, but also through other sonic frequencies.

## Is That You, God?: Recognizing His Voice Above the Noise by Cindy Jacobs

The Lord speaks to our spirits, not in words, but in thoughts and impressions.

## 3 Ways to Help You Hear from God More Clearly

This type of praying does exist, says best-selling author and prophetic leader James W.

## God is not silent. It's that we just can't hear him

The sound I heard was like the music played by harpists. The plane I had booked my flight on crashed on take-off from Mexico City, killing all 169 persons onboard. I learned this the hard way while pastoring in Pritchett, Colorado.

## Can You Hear God Above the Noise

And in return, all we get is silence. Larry ministers nationally and internationally in conferences and churches of many denominations training leaders and God's people in practical Christian living.

## How to Hear God's Voice Above the Noise

And when he putteth forth his own sheep, he goeth before them, and the sheep follow him: for they know his voice. Your faith life directly correlates to the quality of your prayer life.

## **Listening to God in a World full of Noise**

One particular friend, John Houghton, is a certified coach that I had been meeting with. We all want to make sense of what God is saying to us and where He is leading us.
