The young queen of the Potopacos, and the chief men of the tribe, followed this example, so that the neophytes numbered one hundred and thirty. The southern part of the United States was the theatre of these holy attempts ; and we must now pass to the North to describe those to which the Jesuits and Recollects of France devoted their lives with such heroic zeal. Nay, more : misfortune having purified their faith, these Creoles were distinguished for their attachment to religion, and often became the living models of American congregations.

In order to prove that Catholics in the United States owe the enjoyment of civil and political rights to happy circumstances, and not to the generosity of the Federal Constitution, we have been at some pains to draw up the following table, which gives the period when the several States ceased to admit the exclusive eligibility of Protestants. When the still pagan Nor Jimen discovered Iceland in the eighth century of our present era, they found on the shore crosses, bells, and sacred vessels of Irish workmanship.

Epinette, Maximilian de Rantzeau, Peter Malou, John Grassi, and F. Diocese of New Orleans, 1824. Among those who thus emigrated to this

country we need only mention the late Father Nicholas Petit, of the Society of Jesus, who recently died at Troy, and whose apostolical labors in many parts of the country will long be remembered by those he guided in the ways of perfection.

**Full text of of the Catholic church in the United States: from the earliest settlement of the country to the present time. With biographical sketches, accounts of religious orders,**

That's the conclusion from the Forest Service, which said its plan to lift the Roadless Area Conservation Rule on all million acres of roadless areas of the country's biggest national forest. A purblind man thinks he sees all because he has his eyes open ; a superior mind is content to close its eyes because it perceives all within.
