The Impact Of Media On National Security Home

Following the widespread protests, the parliament passed amendments to the law in August, overturning the Supreme Court order. As a result, a new policy developed among intellectuals and politicians that one direction the Northeastern region must be looking to as a new way of development lies with political integration with the rest of India and economic integration with the rest of Asia and Oceania, with North, East and Southeast Asia, Micronesia and Polynesia in particular, as the policy of economic integration with the rest of India did not yield much dividends. The distinction between facts, opinions, and speculation has blurred into irrelevance.
