Critical Reading: What is Critical Reading, and why do I need to do it?

You may already use some variation of it.

Must

Google Scholar and PubMed searches are also built-in, and are better than ever before. In college, many instructors will expect you to already have that foundation.

Basic Reading and Writing

To take your understanding to a higher and deeper level.

Eleven Ways to Draw in your Reader

The first step in handling college reading successfully is planning. Either way, the physical act of articulating information makes you more likely to remember it.
