### U.S. and Iran ratchet up military activity as concerns rise ahead of Soleimani killing anniversary

Regardless of the reality of the situation, the US is still poised to blame Iran for any US casualties in the region between now and January 20th. That's not something many authors can do well; and you can see the research and effort that went into this story. Meanwhile, a that Washington has seen increasing indications that Iran could be planning an attack against American forces or interests in the Middle East.

### US, Iran ratchet up military activity ahead of Soleimani killing anniversary

The US and Iran charged each other with ratcheting up tensions in the Persian Gulf as concerns about potential conflict build days before Iran marks one year since the US assassinated its most powerful military figure and less than three weeks before President-elect Joe Biden takes office.

US

One of my favorite thrillers.

### Iran delivers veiled warning before anniversary of Soleimani's killing

For additional information, see the Global Shipping Program A book that does not look new and has been read but is in excellent condition. The explosive slaying of Iran's leading general as he departed in a convoy from Baghdad International Airport set the stage for a year wrought with worsening tensions between Washington and Tehran, even as both governments were confronting severe outbreaks of the COVID-19 pandemic.

### U.S. and Iran ratchet up military activity as concerns rise ahead of Soleimani killing anniversary

Dozens of missiles launched by the Islamic Revolutionary Guard Corps IRGC on two bases in Iraq housing US troops — that caused no fatalities — after Soleimani was buried in his hometown of Kerman were another slap, Khamenei said. THE PASSION AND TRAGEDY OF DIVIDED IRELAND come vividly to life in this compelling saga of love, hate, power-and revenge.
