### 7 Time Management Tips for Online Students

Stop multitasking I often see job offers that set multitasking as one of the key skills of the candidate. Keep some free space at the bottom of your schedule for low priority items or things coming up later in the week. Delegation and outsourcing may not feel like managing your time more efficiently at first... But once you get through the learning curve and find a few contractors you like, it can become a secret weapon in getting things done.

### How to Schedule Your Day: 14 Steps (with Pictures)

Read a chapter of your favorite book or make a cup of coffee.

### 6 Tips to Improve Your Time Management Skills

It always helps to think of all the negative things that will result from you putting off your schoolwork until the last possible minute. If you prefer a traditional to-do list, then look at digital notebooks like , , or . How can you do it too? Sleep is essential to rest your body and keep your mind fresh for the next day.

### arrow right

The good news is that now we have digital calendars that have taken time management and scheduling to the next level. Not knowing how to manage their time leads to missed deadlines, increased stress, and poorer performance at school or in the workplace.
