**The will to change : men, masculinity, and love : Hooks, Bell : Free Download, Borrow, and Streaming : Internet Archive**

Usually rage, grief, and unrelenting disappointment lead women and men to close off the part of themselves that was hoping to be touched and healed by male love. There was a time when I would often ask the man in my life to tell me his feelings. Hooks stance on this can be made concrete with her rejection of images of men from popular culture, who are overburdened by the weight of patriarchy and fold beneath it.

Men who love and men who long to love know this.

**The Will to Change: Men, Masculinity,... book by Bell Hooks**

Hooks is a great author when it comes to intersectionality of different factors that affect one's behaviour etc.

**Book Review: The Will To Change: Men, Masculinity, and Love by bell hooks (Atria Books, 2004) Page 2**

Bell Hooks is one of my favourite authors, and this book did not dissappoint! Mother love is aplenty and apparent: we complain because we have too much of it.

**The Will to Change: Men, Masculinity, and Love by bell hooks**

If you think you are a Disappearing Woman,you will drink in this book as if it were a health-giving elixir. I had a great professor in Seminary who I felt came up short in one regard.

**Book Review: The Will To Change: Men, Masculinity, and Love by bell hooks (Atria Books, 2004) Page 2**

His six sisters witnessed the change in him and mourned the loss of our connection. Do you tend to lose yourself in your romantic relationships? Where and when along the way did you learn the practice of love? In *The Will to Change*, bell hooks gets to the heart of the matter and shows men how to express the emotions that are a fundamental part of who they are -- whatever their age, marital status, ethnicity, or sexual orientation. I appreciated her analysis of patriarchal male culture.
