Edutopia

In , students can save their work and share it using a unique link. Encourage them to record a video at home by themselves or with family members and share with friends and family via text, the , social media, or email. Different students have different skill levels and different needs.

10 Tips For Teaching Music to Kids More Effectively

Play the video and ask students to make sentences based on the pictures using I wish+would.

10 Tips For Teaching Music to Kids More Effectively

Tackling different senses such as auditory, visual, tactile and kinaesthetic makes your teaching more effective for the whole class.

22 Creative Ideas for Teaching Music Online (for All Ages)

Treat your planning time as time for your own inspiration to come through.

Edutopia

Within each larger topic, plan to include a variety of short tasks and activities.

Edutopia

Do you have any regrets? Perhaps the chord progressions, rhythm, or melodic patterns would make a good lesson, and one the students are sure to remember.
