### Captain Corelli's Mandolin on iTunes

Iannis is a poet at heart, he is working on a History of Cephallonia and Corelli too is a natural poet. Iannis is very talented and when he's fourteen, Corelli catches him playing up at the old house. Once Mandras returns to the island, Pelagia is torn between them.

. You have to work out whether your roots have so entwined together that it is inconceivable that you should ever part. Admittedly, Bernières does go off the rails for a bit, retreating into a one-man word orgy, all too pleased with his own authorial genius.

### Captain Corelli's Mandolin Themes

Here, the Italians are more interested in singing than fighting which the German troops on the island simply can't understand, and are ecstatic when Italy makes peace and withdraws from the war - until they discover that this may well make them prisoners of the Germans.

### Captain Corelli's Mandolin (film)

Iannis spends most of his time at the taverna and as he grows, he desperately wants to impress girls.
