Instruction on respect for human life

In 1959, our congregation moved to Cooper River Parkway. If the church is in decline, it is often to this idealized experience of church that members wish to return—a hope that can seldom be fulfilled. One who saves one life saves an entire world.

Congregation Shalom

WHAT MORAL CRITERION CAN BE PROPOSED WITH REGARD TO MEDICAL INTERVENTION IN HUMAN PROCREATION? Then things become a real bummer. In the beginning, our members met in a variety of places: their own homes, schools, churches, a country club, even an abandoned police station. Lifecycle of a Church

Under the leadership of Rabbi Jerry David and Cantor Neil Schnitzer, Temple Emanuel is close to 550 families strong. The facts recorded and the cold logic which links them must be taken into consideration for a moral judgment on IVF and ET in vitro fertilization and embryo transfer : the abortion-mentality which has made this procedure possible thus leads, whether one wants it or not, to man's domination over the life and death of his fellow human beings and can lead to a system of radical eugenics.
