## Agaguk by Yves THERIAULT

Yves Thériault, November 27, 1915 — October 20, 1983 was a Canadian author. The novel invites you along with great descriptions of the icy cold tundra and the Inuit's harsh life; trying to survive in such an inhospitable environment.

### Le style d'écriture

Ci vous pouvez me le faire ca sera bien apprécié. As someone who has worked in the north and with the Inuit, I feel uncomfortable with much of the stereotyping and sensationalism in this book. Since its inception, ecocriticism has been accused of being inattentive to the complexities that colonialism poses for ideas of nature and environmentalism.

## **Shadow of the Wolf (1992)**

The conclusion is devoted to Theriault's role in Canadian literature and his appeal to his readers due to his advocacy of harmony with nature and oneself.
