Blackstone

This represented the largest leveraged buyout completed since the takeover of at the end of the 1980s leveraged buyout boom. The Bottom LineGold has some industrial uses, but it's mainly a hedge against disaster. At regular pipeline meetings with sector teams, we review potential opportunities and determine what resources — both internal and external — are best suited to pursue those opportunities.

The Blackstone Group

Those adjustments could also add to the pool of people that can invest in private equity.

Online Career Courses

The Blackstone Group logo in use prior to the firm's rebranding as simply Blackstone As the 1990s began, Blackstone continued its growth and expansion into new businesses.

Blackstone

Most of the time, they are simply paying for the value of a well-known name.

Blackstone River

Transformational operating improvements We actively target companies in which significant value can be created through clear strategic and operational change, and created our Portfolio Operations Group to provide hands-on support to help our portfolio companies become more productive, efficient and valuable. Protection of asset values is going to be the name of the game for aging populations, but gold is just one way to do that. Blackstone finalized fundraising for its first private equity fund in the aftermath of the.

Online Career Courses

Blackstone also purchased a majority interest in , a music buying club, in mid-2002.

Blackstone

As of June 30, 2019, our Corporate Private Equity funds held interests in more than 97 companies.
