The Dhaahiris

Opinion 3: The Allowance of Taqlīd for One Who Has Not Reached the Level of Ijtihād The third opinion does not impose taqlīd on its adherents, as with the first opinion, nor does it prohibit it, as with the second opinion.

al

However, your description of their edition of Sharh al-Qadi ash-Shaybani: ...then copied by Ahmed Farid al-Mazidi and printed by Dar al-Kutub al-Ilmiyyah... seemed to place them more along the lines of Dar al-Fikr.

Taqlīd, and Following a Madhhab

Anyhow, no one should pay attention to Dhaahiri or take knowledge from them though we do not deny the good rank of Ibn Hazm and his cautiousness in Hadith but knowledge of Hadith by itself does not qualify one to be a scholar of Hadith too. Recently translated into English by Mufi Afzal Hoosen Elias and printed by Zamzam publishers of Karachi.

Arabic Commentaries and Resources for al

When people become so obsessed with Taqleed they tend to make have very exclusivist understandings.

The Dhaahiris

For when something is made clear to someone, he has come to know it. All comments are published at the discretion of VirtualMosque.
