Smuggling cartels cost Zim US\$1bn

Community members denied this, and at the time of Human Rights Watch's visit, it was in place and functioning. But the best way to improve upon the integrity of the police, INEC, the EFCC and other institutions is to make it impossible for those in government to attempt to subvert those institutions with impunity. INT completed two DIRs in FY07, in Kenya and Vietnam.

The Human Rights Impact of Local Government Corruption and Mismanagement in Rivers State, Nigeria

Health care workers in most of the local governments visited by Human Rights Watch said that their salaries were consistently 3-4 months in arrears or more. This means bills in draft can be kept secret, as can all communications with staff, until a bill is proposed. Rivers State is home to numerous statewide newspapers, but many Port Harcourt-based editors and journalists told Human Rights Watch that they are subjected to forms of harassment and intimidation that often dissuade them from criticizing state government policies and actions.
