This workshop will serve as an intensive introduction to Digital Humanities and an opportunity to develop learning activities for new and existing classes. Countless volunteers gave their time and talents with planning behind the scenes and logistics immediately before and during the conference.

### **Funded Projects Query Form**

WWQI has already concluded agreements with several major institutions in Iran: the Majlis Library and Documentation Center, Malek Museum and Library, and Institute for Research on Contemporary Iranian History. But if you are new to the NEH, and if you would like to be considered as a peer reviewer, use this form to add yourself to the system. Hosting this NEH Seminar is a major coup for the University and department.

### **NEH TOURISM GRANT**

Collection Reports A short collection report is produced for each collection curated by OAR. During 1961 and 1962, excavations were also conducted at four large open sites in the Tennessee River uplands in Colbert and Franklin Counties.
