It's short, really a novella, but there's plenty of tension and anticipation.

Witness at Large by Mignon G. Eberhart

The protagonist is in many ways an outsider, who finds herself — at least in her own eyes — increasingly isolated as time goes on. And the same is true for every other character of the novel as well: Goyles may be posing as an intellectual, but he is quickly unmasked as a blustering fool and a coward into the bargain.

Genre Reviews: Witness at Large by Mignon G. Eberhart

. I knew it was Mildred.

Witness at Large book by Mignon G. Eberhart

Terror walks the fog-shrouded island. The proper hints are given so when the murder is revealed, you don't feel the author pulled it out of a hat. The proposed system would include five single-member districts for judges, including one with a voter majority of blacks and other minorities.

Witness at Large by Mignon G. Eberhart

The protagonist is in many ways an outsider, who finds herself — at least in her own eyes — increasingly isolated as time goes on. The suspense was created from the relationship tensions including Tom's fiancée trying to win Tom back when Tom and Sister suddenly marry and the subtle threats the murderer is leaving for Sister. The details about the characters and setting were good.

Dorothy L. Sayers: Clouds of Witness

A family argument, a murder. And what about the strange behavior of Boyd, who has been like a brother? No, she's certain that Tom would never kill. While I did suspect who the murderer was, I wasn't sure until very near the end and shortly before Sister figured it out.
