The Oxford History of English Literature. No-one has done it before. A History of English Literature.

Hopkins, R. Thurston (Robert Thurston), 1884

An excellent bibliography concludes the volume, but its organization is highly erratic, since it discusses non-standard genres, and many extremely minor authors, in English literature. Individuality is important for happiness — several times throughout the poem, Kipling reminds us not to pay attention to what others think or say, especially in their judgments and negative criticisms or misinterpretations of our actions.

If by Rudyard Kipling — Poem Analysis

My original purpose when the book was first discussed with my publisher was to have confined the pages to a brief outline of the authors works. And Britain, as parents—Mother and Father, has an absolute duty to protect its children, and some of the children are self-sufficient young adults, and need only a nudge in one direction or the other. No critic today discusses this work, and few Kipling enthusiasts have heard of it.

Rudyard Kipling's Literary and Historical Legacy

Addeddate 2006-11-10 17:29:13 Call number ADQ-9094 Camera 5D Copyright-evidence Evidence reported by scanner-scott-cairns for item rudyardkiplingch00hopkuoft on November 10, 2006: visible notice of copyright; stated date is 1921.

Robert Thurston Hopkins

Not only are our children better off spiritually but they are better off materially. Some of these men will be dead tonight.

Robert Thurston Hopkins

Germany will go on killing by all the means in its power. The two-in-one volume discusses both major and minor authors and is organized by historical periods. Careful attention has been made to accurately preserve the original format of each page whilst digitally enhancing the aged text.
