Scrapbook — RICHARD HALLIBURTON

The descriptions were so vivid it did not matter that the photos were black and white.

The Famous Adventures Of Richard Halliburton by Halliburton, Richard

This delight in factual information is especially impressive in an individual so outdoorsy and adventurous, as these qualities are not often found together. He was not very successful, and he was finally reduced to fundraising among his friend and relatives, supplementing this by mortgaging his new house, and in effect, persuading several wealthy young men to pay for the privilege of accompanying him on the adventure.

Richard Halliburton and the Voyage of the Sea Dragon

For the first time, teachers, students, and thoughtful listeners can hear dramatic interpretations of Dr. Courtesy of The Lilly Library, Indiana University. In the era between the two World Wars, he seemed unrelatable, which may be why his whimsical adventures were so hugely popular.

Richard Halliburton

I'd definitely recommend it, even if some information will undoubt This book fascinated me as a kid - my grandmother had it as two separate books, actually. Get a Britannica Premium subscription and gain access to exclusive content. Of the dozens of articles he had written during his travels, he had only managed to sell a couple to Travel and one to National Geographic, so after a brief visit with his parents, he went to New York to try to sell his writings in person.

Richard Halliburton's Complete Book of Marvels by Richard Halliburton

At the end of his life, Wesley was the last living member of the family and he took great care to compile many scrapbooks loaded with photographs, documents and notes of all kind, relating to his famous son's adventures. An amazing look at the world through the eyes of a worldwide traveler in the 1930s.
