The Kerubic or fixed signs are shown in the 5th row, in the order of the Tetragrammaton. On the Moon Wall the colors mixed in would be blue and orange, on the Jupiter Wall they would be violet and yellow, and so forth.

Nepalese climbers return home on top of the world after K2 triumph

The soul slowly understands what humility of heart means. And leads us to pray without ceasing. For him, being part of the record books was less important than running the risk of losing his fingers and toes to frostbite, which would jeopardise his livelihood.

Conditions — Golden Nordic Ski Club

One of the most painful lessons that Dryness teaches us is the spirit of Humility. There are also quite a few hazardous spots on the mountain which includes a maze of subterranean caverns, craggy cliffs, and dangerous wildlife. The Will is now turned towards doing what does not satisfy the soul; it is moved to go against the world and its own emotions.
