Within the United States, you may freely copy and distribute this work, as no entity individual or corporate has a copyright on the body of the work.

Timeline of nursing history

ADVERTISEMENTS Nurse leaders have advocated for a highly educated nursing workforce starting from the time that formal training for nurses were established. This is NOT a retyped or an ocr'd reprint.

Timeline of nursing history

Nursing leaders from Europe and North America participated. If the original book was published in multiple volumes then this reprint is of only one volume, not the whole set. In that year, three nurse educational programs—the New York Training School at Bellevue Hospital, the Connecticut Training School at the State Hospital later renamed New Haven Hospital and the Boston Training School at Massachusetts General Hospital—began operations.

Timeline of nursing history

By the beginning of the nineteenth century, however, urbanization and industrialization changed the way in which—and in many cases the place in

which—sick individuals received care.
