Under Mount Saint Elias : the history and culture of the Yakutat Tlingit

A grant from the National Science Foundation G-4875 made possible assembling the illustrative and bibliographic material. Her research not only helped lay the groundwork for modern archeology in Alaska, it helped to open the male dominated field of archeology to women in the early 20th century.

Under Mount Saint Elias: The History and Culture of the Yakutat Tlingit: Part Two

Author: Laguna, Frederica de Object Type: Smithsonian staff publication Electronic document Year: 1972 Abstract: The field data on which this report is based were gathered at Yakutat in 1949, 1952, 1953, and 1954. At that time several old village sites and a number of well-informed, friendly natives gave promise that combined archeological and ethnological investigations would be fruitful. Ireland, Provincial Librarian and Archivist, Victoria, British Columbia; to Dr.
