History of Woman Suffrage/Volume 4/Chapter 20

Women activists could operate more freely and influentially in the international sphere because they were freed from the restrictions of citizenship which circumscribed their participation in domestic politics.

Prostitution, Women and Misuse of the Law: The Fallen Daughters of Eve (Cass Series)

The health of the province is improving. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

National Council of Women of New South Wales further records, ca. 1891

I can always place their new girls for them.

TECHNOLOGIES OF POWER 23 The diversity of controls and the developing trend towards repressive legislation have been demonstrated by Linda Mahood⁴¹ in her study of the reformatory movement in nineteenth-century Scotland.

Report of Transactions of the Second Quinquennial Meeting

According to one Hungarian performer's testimony: I played at 513-X in Vienna and also at several first-class places in Budapest.

Prostitution, Women and Misuse of the Law: The Fallen Daughters of Eve (Cass Series

Consequently, the resolutions passed at the first congress in 1899 were transformed into the articles of an international agreement⁶⁹ under which State signatories set out to coordinate measures that would protect young women from the speculative attentions of men who regarded them as merchandise. A Denver paper lately said the men had found out that in determining all questions of morality, sanitation, etc. Rossiter Johnson addressed the House Judiciary Committee.

Report of Transactions of the Second Quinquennial Meeting : Held in London, July 1899 (Classic Reprint) by International Council Of Women (2018, Hardcover) for sale online

As such, the AMSH reached out, through the IBSTWC, to work with anti-trafficking activists in other countries, and looked especially to the League of Nations as a platform upon which to base this international work. Direct measures for the erection of a hospital for advanced cases are well under way. The effect of this will be to compel manufacturers to provide workrooms and factories for all their employees, thus freeing for domestic uses the kitchens and bedrooms now invaded by industry.

Notice bibliographique The International congress of women of 1899. 1, Report of transactions of the second quinquennial meeting held in London, July 1899 / ed. by the countess of Aberdeen,...

The necessity for housing the newly-arrived workmen transformed into common lodging-houses the patriarchal mansions of great patios and extended corridors; the desire for gain converted the latter into living-rooms, and improvised rooms in the part originally destined for circulation of air. THE CONDITIONS UNDER WHICH WORKING WOMEN CARRY ON THEIR OCCUPATIONS.
