Dr Anita Bandyopadhyay has prepared a thorough survey and intensive analysis of this long journey in her dissertation.

The Origin and Development of Bengali Language by Suniti Kumar Chatterji

A large number of onomatopoeic words, repetitive words and conjunctive verbs in Bangla reveal non-Aryan influence; for example, words such as ghoda-toda horses etc , kapad-chopad clothes etc , tuk-tuk, khatkhat, khankha, dhandha, basiya pada sitting down , lagiya thaka to persevere , etc. Some Sultans of the Pre-Mughal periods patronized many of these works. A demand for literature and fine arts grew with it.

Bangla Language

Most of them speak , a language from the language family.

Origin and Development of the Bengali Language, The

Such words and their impact increased substantially in the language of the Muslim rural masses of East Bengal prior to the partition of India in 1947. Stress is also employed to put emphasis on a word.

Evolution of Bangla

In West Bengal, Hindus are the majority with 70.

Bangla Language

This is also mentioned in 's.
