War Stories: The Pacific

The queen is described as visiting with a number of gifts including gold, spices and precious stones.

The True Story of 'Captain Phillips'

Whether the passage is simply to provide a brief token, foreign witness of Solomon's wealth and wisdom, or whether there is meant to be something more significant to the queen's visit is unknown; nevertheless the visit of the Queen of Sheba has become the subject of numerous stories. Considering the scope of this volume, it represents a definitive history of the Solomon Islands, and it will remain so for many years to come.

The True Story of 'Captain Phillips'

The first midrash claims that six steps were constructed because Solomon foresaw that six kings would sit on the throne, namely, Solomon, , , , and. When in the mines, the characters also contemplate what must have occurred to prevent King Solomon from returning to retrieve the massive amounts of diamonds, gold and ivory tusks that were found buried in his great 'Treasure Chamber'.
