## The Dust Rose Like Smoke

These settlers were restrained somewhat by governments professing humanitarian aims toward the indigenes. They believed that all life forms of the universe were one and embodied wakan. In part this tragic denouement resulted from the schismatic proclivities in the Zulu and Sioux polities.

When his scout George Herendeen reported spotting a trail splitting off to the left at Muddy Creek, Custer dispatched Lieutenant Charles Varnum with a party of Arikaras to investigate. In both cases the total defeat of regular army troops by forces regarded as undisciplined barbarian tribesmen stunned an imperial nation.

Possibly my fault for skimming over the introduction, which, on second reading, makes the purpose of the book a lot clearer. Basically the author's contention is that American exceptionalism isn't as exceptional as some would like to think, and that there are many similarities between American conquest of the West and British colonialism.
