

Optically based methods for process analysis - 23-26 March 1992, Somerset, New Jersey

SPIE - James T. Kirby, Publications

Description: -

-

Pork industry and trade -- Germany -- Neumarkt.

Swine -- Breeding -- Germany -- Neumarkt.

Pork.

Swine -- Feeding and feeds -- Germany -- Neumarkt.

Spectrum analysis -- Congresses.

Chemical process control -- Congresses. Optically based methods for process analysis - 23-26 March 1992, Somerset, New Jersey

-

v. 1681.

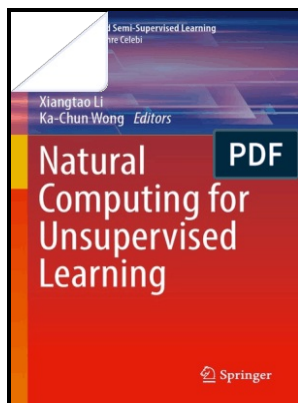

Proceedings of SPIE--the International Society for Optical Engineering ;

v. 1681

Proceedings / SPIE--the International Society for Optical Engineering ; Optically based methods for process analysis - 23-26 March 1992, Somerset, New Jersey

Notes: Includes bibliographical references and index.

Data Resource Profile: The ALSPAC birth cohort as a platform to study the relationship of environment and health and social factors

When the turbulence is stronger, the parameter may be set to be less selective in the weighting to increase the effective averaging of the frames. In 1985, the programming language had its first commercial release.

Optically based methods for process analysis : 23

At high turbulence levels, very little signal energy is available above the folding frequency to be recovered. The central development was systems.

Filter Banks and Multiresolution

For full text paper go to Published. Progress with cell imaging, signal averaging, and data acquisition and processing is described in the context of our experimental objectives.
